

Project Summary

Ballarat Regional Integrated Cancer Centre

Victoria

Image: <http://bricc2.bhs.org.au/>

The Ballarat Regional Integrated Cancer Centre supports a multidisciplinary collaborative approach to patient care. The Centre provides the latest technology for cancer treatment supported by a radiotherapy facility, Medical Oncology Unit, a satellite pharmacy ensuring immediate access to medication and treatments and a multidisciplinary consultation suite supporting the concept of a 'one stop shop' for patients and their families.
