

Project Summary

Broome Health Campus Emergency Department (ED)

Western Australia

Image: <https://www.wacountry.health.wa.gov.au/About-us/Building-projects/Completed-projects/Completed-project---Broome-Health-Campus>

The expanded ED includes 15 acute bays as well as new resuscitation bays, an ambulance bay and a purpose-built treatment room for assessing patients who are distressed or experiencing impaired mental health.

The \$8.6 million major upgrade of Broome Health Campus ED gives local residents access to better health care closer to home. Completed in December 2015, it includes:

- two new resuscitation bays
- eight acute treatment bays
- an isolation room with dedicated ensuite
- a new ambulance bay
- new triage and waiting areas
- mental health safe room
- one quick-care consultation room
- new medical records department and administration office space, including a clinical write-up area
