

Project Summary

Robina Hospital Second CT Scanner

Queensland

Image: <https://www.goldcoast.health.qld.gov.au/hospitals-and-centres/robina-hospital>

A new CT scanner has come online at the Gold Coast's Robina Hospital to provide better health services and meet growing demand. The second scanner would give the hospital, which currently sees more than 18,000 scans done a year, greater capacity to diagnose and treat patients.
