

Project Summary

Franklin Private Hospital - Stage 1

New Zealand

The Franklin Private Hospital will provide 24-hour urgent care, four elective surgery theatres with 14 beds for overnight stays, a full radiology suite, cardiology unit and pharmacy. The hospital will be manned by 60 staff, with the ability to treat 150-200 patients per day. Modempak worked alongside one of the major local Electrical wholesaler branches in offering Single Fairing Surface Mount Medical Service Panels.
