

Project Summary

Waikato Hospital Endoscopy 4 Refurbishment

New Zealand

Waikato Hospital Endoscopy 4 Refurbishment is part of Waikato Clinical Centre project. The construction of the Waikato Clinical Centre has been estimated to create 400 jobs in the area, and this hospital construction is known to be the “Biggest Hospital Building”. Besides having intervention suites, such as endoscopy, catheter labs and angiography, there is a 40-place day surgery suite, eight new operating theatres, Outpatient consultation rooms for acute medical and surgical specialties, a radiology department, an intensive care unit and more.
