

# Project Summary

## Newcastle Eye Hospital

New South Wales

The Newcastle Eye Hospital project involved building a 3-storey extension to the existing hospital. The extension included new reception and waiting areas, consultation rooms, a meeting lounge, an operating theatre, level 1 tenancies, bathrooms, basement car parking, and associated civil works.

Esco Industries was proud to be involved in this project supplying Alphamax Recessed Services Panels, Medical Gas Isolation Control Valve Boxes, Med100 Surface Mounted Services Panels and MediTek Switchgear & Accessories.
