

Project Summary

Kaweka Hospital (Stage 1)

New Zealand

Kaweka Hospital Stage 1 is a new hospital facility in Hawkes Bay, part of the brownfield development. The project established a state of the art medical facility set in landscaped grounds planted in predominantly native species. Ground floor comprises of reception, waiting room, post-operative care, 4 state operating theatres, 11 bed post operative care unit, 6 bay second-stage recovery area and more. Stage 2 of the development is planned to open in December 2024
