With more than 926,000 outpatient care appointments took place in Counties Manukau over the past two years and nearly 65 per cent of these taking place at Manukau Health Park, this new redevelopment of the hospital is just what is needed with the rapid growth of the community. This redevelopment project will ensure that this access is maintained into the future, by improving the capacity, accessibility and quality of community care. Almost 150,000 additional outpatient appoints can be scheduled each year, more than 3,600 additional surgeries per year will be carried in this new facility.
